

A background image of two men wearing hard hats and safety glasses, facing each other in conversation. The image is overlaid with a dark blue filter.

WARRANTY STATEMENT

BLOC, GRANDE, HEDRA
AND FIREGUARD[®]
DOUBLE-WALLED TANKS

BETTER FUEL LOGISTICS. **TOGETHER.**

WARRANTY STATEMENT

Unity Fuel Solutions Inc (Unity) warrant the Unity range of Double Wall Tanks for a period of 10 years for its structural integrity and 2 years for the paint work and tank components, and Fireguard Tanks for a period of 25 years for its structural integrity, 5 years for the paint work and 2 years for tank components, provided that:

1. The tanks were installed and operated in accordance with their design and are used according to its normal operating conditions.
2. The tanks receive maintenance and protection by suitably qualified personnel.
3. The tanks were not subject to negligence, accidents, or any form of misuse.
4. Any modifications done without proper consultation with Unity will void this warranty.
5. Unity's warranty exclusively covers the bare tank only and does not include additional ancillary parts such as dispensing equipment, loading pumps, automatic tank gauging, fuel management systems, etc.
6. Unity's warranty covers parts only, labor and travel costs are not included unless approved by a Unity Representative.

For any claims for warranty, the faulty item shall be inspected by Unity or its accredited representative prior to any approval of claim or replacement of the equipment.
